

Refreshed & Renewed

When you buy our reconditioned computers, you retain all the same capabilities of new devices and save up to 60% of the cost. We procure, recondition, and redeploy Dell, Lenovo, and HP used PCs and restore them to first-class technology.

9-Step Certification Process

- 1 Exterior Inspection
- 2 Internal Audit
- 3 Detail Cleaning
- 4 Imaging
- 5 Drive Formatting
- 6 Benchmarking
- 7 Customization
- 8 Quality Assurance
- 9 Green Packaging

All our Second-Life laptops and desktops have a Lifetime Parts Warranty, and all Second-Life Chromebooks have a Limited Parts Warranty through the Chrome OS expiration date.

Reuse Beats Recycle

Refurbished hardware is an environmentally-friendly option. When you choose Second-Life Hardware, you can ensure users have the hardware they need while helping to reduce e-waste.
