

ASSET VALUE RECOVERY (AVR)

We will evaluate your hardware and provide the best option for the biggest recovery. Depending on the age and specifications of your current computers, we will buy your existing hardware and give you cash or credit towards the purchase of newer, faster, machines.

6 Easy Steps

Technology Buyback Program

Complete an inventory worksheet and submit for review.

REQUEST

Select a cash out option or receive a trade-in credit.

6 — REDEEM

ACCEPT

2

Review the estimated valuation and sign the purchase agreement.

Performance testing and condition grading of all devices.

5 -

EVALUATE

PACKAGE

3

Box up the devices with the provided packing materials.

Schedule a pick up when the devices are ready to ship.

4

PICKUP

Recover the hidden value in our computers.
